

If a Tree Falls: A Family's Quest to Hear and be Heard

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Feminist Press at The City University of New York. Paperback. Book Condition: new. BRAND NEW, If a Tree Falls: A Family's Quest to Hear and be Heard, Jennifer Rosner, When Jennifer Amy Rose's firstborn baby fails her postnatal hearing test, Rose is stunned: How will she and her husband, both hearing, raise a deaf child? How will they communicate with a baby who can't hear their voices? Although her mother is hard of hearing, Rose has no real experience with deafness. But then she discovers a hidden history, going back generations to the ghettos of Eastern Europe and the culture of shame that was attached to the "deaf and dumb." Now the parent of two congenitally deaf children, Rose shares her journey into the modern world of the hearing impaired, and the tough decisions she and her husband have made about hearing aids, cochlear implants, and sign language. She also travels back in time to imagine her silent relatives who had few options but showed surprising creativity in dealing with a world that preferred to ignore them. If a Tree Falls is a memoir, a tale of the imagination, a guide for families with special-needs children and adults, and a poignant meditation on life's most unpredictable moments. Jennifer Amy Rose is the author of *The Messy Self*. She holds a PhD in philosophy from Stanford University and lives in Massachusetts with her husband and two daughters.
