Through touching stories and meaningful personal journeys, Stumbling Over Stones examines what grief is and how we can come to live with and understand it. Stumbling Stones is a collection of stories, case studies and strategies that aim to help people traverse the landscape of loss and grief and to provide support through these painful transitions. With a tone of wisdom and wry, hard-won understanding, Stumbling Stones draws on literature, poetry, stories, observations and reflections to offer navigation through the unavoidable losses in life and to learn to look forward to a peaceful, happier time. Not all loss is about death - loss can mean the loss of vitality, health, a partner, a pet, dreams, loss of a relationship or children leaving home. Disappointment is a also key element of grief.
