NIKITA BLACK is the pseudonym of New York Times and USA Today bestselling author Nina Bruhns. In the primitive wilds of the South Louisiana swamps, the hot-blooded Cajun Cherchat brothers take lost photographer Sahara Jensen captive, thinking to use her soft, warm flesh for their-and her-pleasure. But when one of them unwittingly falls in love with the woman, who then is the captor, and who is really the prisoner.? Sahara Jensen has ventured far out into the bayou, on assignment to photograph an elusive orchid. Instead she finds the gorgeous Cherchat brothers. Or rather, they find her. When the two mysterious strangers offer to lead her out of the swamp, what choice does she have? Handsome as sin with the devil s own imagination, Jacque Cherchat embodies every woman s secret fantasies, and he knows it. With infinite skill and determination-not to mention delicious Cajun food-he sets out to seduce his beautiful captive. But he could never imagine the outcome of this night of forbidden erotic pleasures. Praise for CAJUN HOT: I do not recommend reading this book in public. That wicked grin on your face or that glazed look in your eyes, just might give you away. . .If you want a superbly written erotic romance.this is definitely a very highly recommended book. Women who enjoy their sex heated and their men alpha will devour this spicy concoction. Nikita Black not only tells a wildly erotic tale of captive/captor, but she weaves a wonderful romance in with the erotically sensual tale. What a magician this storyteller is. I m hooked on anything written by Nikita Black!.
