Three years have passed since the magician Nathaniel helped prevent a cataclysmic attack on London. Now an established member of the British Government, he faces unprecedented problems: foreign wars are going badly; Britains enemies are mounting attacks close to London; and rebellion is fomenting among the commoners. Increasingly imperious and distracted, Nathaniel is treating Bartimaeus worse than ever. The longsuffering djinni is growing weak and vulnerable from too much time in this world and is nearing the end of his patience. Meanwhile, Nathaniels longtime rival Kitty has been stealthily completing her research on magic, demons, and Bartimaeuss past. She has a daring plan that she hopes will break the endless cycle of conflict between djinn and humans. But will anyone listen to what she has to say In this glorious conclusion to the Bartimaeus trilogy, the destinies of Bartimaeus, Nathaniel, and Kitty converge once more. Together the threesome faces treacherous magicians, a complex conspiracy, and a rebellious faction of demons. To survive, they must test the limits of this world and question the deepest parts of themselves. And most difficult of all-they will have to learn to trust one another.
