PRAISE FOR DIVINATION OF GOD Life is so mysterious and full of confusing choices that we need reliable tools for making good decisions. Common sense is a crucial starting point, but since ancient times there have been wisdom traditions that taught how to supplement logic with the guidance of divination. This is no mere superstition - divination tools such as the Urim and Thummim are a powerful way to connect to the human unconscious and the infinite Spirit that stand ready to direct our voyage through life. Shelley Kaehr s exhaustive research into the Old Testament references to the Urim and Thummim makes this method accessible to modern men and women. She places this ancient tool in the contexts of many other oracle traditions and shows its value for today s seekers. Mark Thurston, Ph.D., author of Willing to Change: The Journey of Personal Transformation In our quest to find and do the will of God, the Bible has many treasures that serve as important keys and guideposts. In Divination of God, Dr. Shelley Kaehr sheds powerful and helpful light upon Biblical approaches to discernment, makes them accessible and understandable and shows how they relate to other methods that have occurred in the course of history. It is a fascinating and worthwhile read.
