Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.WHY YOU SHOULD GREEN CLEAN? AMAZING ADDED VALUE TO YOUR CLEANING EXPIERIENCE *** BONUS!: FREE Natural Remedies Report Included !! *** Nothing is more important to this planet than finding alternatives to chemicals and practices that are harming it. Sometimes it is helpful to think of the earth as a living cell, one that we are living on. Once the cell dies, what do you think will happen to the other things inhabiting it? Not a pretty picture. Being environmental isn t just good for humanity at large, but it s great for the animals, our health, and sometimes even more importantly, our budgets. Discovering new ways to clean the house may even eliminate allergens that you didn t know your body was reacting to. For example, if you switch from a chemical based spray to aromatic oils to keep your home smelling fresh, you may stop sneezing on a regular basis. It can really work! Even if you re not outwardly allergic to chemicals, using big brand cleaners is a seriously unhealthy choice. Even if it doesn t look like your health is suffering, the way your cells are changed because of chemical interference is something that hasn t been tested sufficiently. Big businesses don t care about our health - they care about the fact that we, as consumers, have a need. If they claim to have a product that will satisfy that need, then they will make money. Consumer health is nothing compared to a paycheck! So if you care about your health, the environment, and your budget, switching to green cleaning products is the choice for you! Using this book, learn all the best...
