Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the second book in the Ember Reign series, Megan and her friends decide to investigate a haunted mansion and discover it was once a secret government laboratory dealing with extraterrestrial biological entities. The friends investigate the mansion late at night but when Ember's glowing form is seen through a mansion window by a man and his wife passing by they have an accident alerting the police and local news woman Victoria Monroe who is determined to get the story. The girls hide from the police and the reporter using their spacesuit cloaking and discover the mansion is in fact haunted by the ghosts of two alien girls who died there in 1952 during a horrific storm. That's not all, there's something else beyond the walls of the secret basement lab, something so evil and dangerous the government filled in the secret tunnel to keep the thing trapped. Now it haunts the mansion as well. Megan must use Ember's powers and her deductive reasoning to solve the mystery. Brianna and her new friend, Chloe, have another plan and they borrow Megan's crown to travel back in time to the mansion in 1952 when it was an active government lab and the two female aliens are living there. All seemed to be going well until they lost Megan's crown and end up trapped in 1952 a few short days from the fatal event. Megan, furious with Brianna, sets out in Orion (Delta Class Lightship) traveling back in time to find the two AWOL team mates. Little does she realize they are about to change history forever and end up trapped in that mansion...
