Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WAKE UP THE SLEEPING GIANTS (PAPERBACK)

WestBow Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is written for those who are spiritually asleep to be awakened in order to carry out the Great Commission of Jesus Christ. To operate in the supernatural led by the Holy Spirit that it may be said of the modern-day Christians as it was said of the early Christians; they are turning the world upside down. Wake up, the alarm is sounding. This is no time to press the snooze button and continue to doze, because the rapture is imminent. In a dream, I saw a multitude of people flying like birds into the sky. It seemed as if they were being drawn up by a giant magnet. I said in amazement, This is it. The rapture is taking place. I saw many people walking around on the ground, seemingly unaware of what was taking place around them. Suddenly I was taken up by the spirit of God as well and flown around in the sky, but just as quickly as I was taken up, I was placed firmly back down on the ground. Wake Up the Sleeping Giants will explain in detail why I was placed back on the ground and not raptured at that time. Also how I became spiritually awakened with a mandate to help sound the alarm for others who are yet spiritually asleep. Jesus is coming for His bride, the Church.
