## SECTION 8

Cool Gus Publishing. Paperback. Book Condition: New. Paperback. 202 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. By NY Times Bestselling Author and former Green Beret Bob Mayer Over five million books sold. Translated into over a dozen languages. Section 8: The men and women called upon by The Organization to do the impossible. They are the soldiers who have nothing to lose. They make up a topsecret unit tasked with what others call suicide missions. The Organization pulled strings long before the founding of the United States. It dates back to the destruction of the Knights Templar and even further in history. As secrets from the Golden Lilly Operation and the infamous Unit 731 from World War II become exposed, you have to wonder who the real enemy is. Captain Jim Vaughn is an officer in disgrace. Commanding a Special Forces mission to rescue hostages in the Philippines, Vaughns team is destroyed, and when the smoke clears, he is the one made the scapegoat. Forced into the shadows by the scandal, Vaughn is offered a chance to redeem himself when he is approached by an enigmatic government agent working for The Organization looking for a few desperate men. Vaughn is shocked to meet his new teammates, a group of men and women outside of the regular chain of command. These are soldiers who have used up all their second chances. These are men and women who have crossed the line one too many times. Drug users. Felons. The terminally ill. These are now the soldiers that Vaughn must trust with his life. Even with a traitor in their ranks. But is the traitor actually the patriot This group of misfits has been assembled for two reasons they are skilled, and they are expendable. These are the kinds of men and women who...
