LARGE PRINT EDITION (Regular print Kindle also available) In recent years, millions of Americans, who previously held secure positions throughout the workplace, have been struggling with job loss, underemployment in a changing and uncertain economy. The restoration of jobs has been painfully slow; in fact, there are indicators that up to 40 of the full-time jobs that have been lost may never return. Elizabeth Allen, author and nationally-known business consultant, responded to this nation-wide emergency by adapting her cutting edge sales and marketing methodology - CODE for Sales - for use by individual Free Agents. CODE is designed to help individuals define their core competencies as well as their passions. Whether people choose traditional employment, contract work, self employment or any combination of these, people need to learn how to effectively sell their assets. Traditional approaches such as attending job fairs and sending out resumes on-line...
