

## Teaching in the Sun (Paperback)

By Lawrie Peet

Createspace, United States, 2015. Paperback. Book Condition: New. Andrew Hilton (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ghana has become increasingly popular as a holiday destination. This is unsurprising - it is one of the most politically stable, and safe, countries in Africa. But visiting for a fortnight, or even a month, barely allows a scratch of the surface of this vibrant nation. You can see some of the sights and sample the food, but you ll never get a real understanding of what makes the country tick. Having left his History classroom in Britain, Peet spent ten months of 2012 teaching in rural Ghana. In this thought-provoking book, he recounts some of the tales which shaped his stay in the house of the village chief and his family. Peet s often self-deprecating wit comes to the fore as he gets to grips with the rigour of the different classroom environment, fetching water, tro-tros and more. All this is set in time to the events which made the year one of national significance.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
