American History While educational programs for foreign-born neighbors are absolutely essential to the great problem of assimilation, the blending of the best ideals of the Old Conferences World with the best ideals in the New also include programs especially planned to place foreign-born neighbors in a favorable light. In addition to lectures on the contributions of over-sea peoples to our national life, numerous industrial conferences have been promoted in different parts of the state which have attracted the attention of public-spirited citizens to many serious social problems of national importance. These conferences have usually been held...
