The book also goes with the subtitle In the build up to greatness, to essentially paint a complete picture of the kind of possibilities that abound to the every-day regular person, who could go from being just another chap to becoming the best in the very same field. From Chap to Champion has this fast paced, power packed conversational mode to it. You are spurred to keep reading because it paints a virtual but very clear picture before you - transposing the reader into an almost exact mode of perspective being described. It is a great ignition to fuel your passion, and improve your mindset. The transition is quite excellent, leading to a peak ending. Essentially greatness begins from the mind, and the journey from being the chap to becoming the champion is the process referred to as the build-up. What happens during this span can go a long way to influence the eventual outcome. As such, From Chap to Champion is a fully...
