THEORY AND PRACTICE OF COUNSELING AND PSYCHOTHERAPY (NINTH EDITION)

DOWNLOAD

Wadsworth/Cengage Learning India, 2013. Softcover. Book Condition: New. 5th or later edition. 20 x 25 cm. A case study focusing on one client, "Stan," appears in each chapter to demonstrate the application of all presented theories and make it easy for students to compare and contrast approaches. Online technology supplements for both instructor and student include a downloadable Microsoft PowerPoint® presentation for instructors. Access to the same videos featured on the "DVD for Theory and Practice of Counseling and Psychotherapy: The Case of Stan and Lecturettes" are available online with online quizzing and links to reliable, appropriate websites. The book's flexible organization allows professors to cover topics in any order they choose to best meet particular student or course design needs. Corey's discussion of current ethical and professional issues facing counseling and human service professionals prepares students for the realities of practice. A framework for creatively synthesizing the therapeutic models, along with step-by-step guidelines, enhances the book's focus on helping students draw from the various theoretical models to develop a personalized counseling style. Two unique concluding chapters show students how to integrate the various theories when working with a client. Objectives covering key concepts, the therapeutic process, and applications of techniques and procedures are included in each chapter. At-a-glance charts pinpoint the major differences between theories in areas such as multicultural focus, basic philosophies, and limitations. The charts also help students identify key differences between the approaches. An online and DVD program, "DVD for Theory and Practice of Counseling and Psychotherapy: The Case of Stan and Lecturettes" shows how the author works with Stan from each of the theoretical approaches covered in the book and new video lecturettes of the author highlighting key points for each chapter. An accompanying Student Manual helps readers apply theory to practice through summary charts,...
