Mackie, the teacher who had given me the sweeping examination when I entered Hampton, came to see us, and still later General Armstrong himself came. At the time of the visits of these Hampton friends the number of teachers at Tuskegee had increased considerably, and the most of the new teachers were graduates of the Hampton Institute. We gave our Hampton friends, especially General Armstrong, a cordial welcome. They were all surprised and pleased at the rapid progress that the school had made within so short a time. The coloured people from miles around came to the school to get a look at General Armstrong, about whom they had heard so much. The General was not only welcomed by the members of my own race,...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
