Xlibris Corporation. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. . . there exists in the universe. . . the Physics of the Quest - a force of nature governed by laws as real as . . . gravity or momentum. Quest Physics. . . goes like this: If you are brave enough to leave behind everything familiar and comforting. . . and set out on a truth-seeking journey, and if you are truly willing to regard everything that happens to you on that journey as a clue, and if you accept everyone you meet along the way as a teacher, and if you are prepared. . . to face. . . some very difficult realities about yourself. . . then truth will not be withheld from you. (from the movie Eat, Pray, Love). Last year was a very scary year for me. I was entering uncharted territory. The term Quest Physics is the best way to describe my approach to this situation. I am learning to live in the moment. It is natural to reflect backward or to project forward. Like most people, I like to think about where Ive been and where I am going. But looking back now makes me shudder. I am NOT going back there. Ever. I cant even bear to wear the sweat suits I wore during post-surgical visits because of their strong association with that ordeal. I had to suspend everything I thought I knew about chemotherapy in order to find the truth. I had to be brave. And then I started out on my truth-seeking journey. I was very aware of everything; I was searching for clues to this great life puzzle. Since unintentionally venturing into the oncology world in late 2009, I discovered that chemotherapy is...
