Reviews

This ebook might be really worth a go through, and much better than other. I have got study and i am sure that i will going to study again once more in the future. You will not feel monotony at at any moment of your own time (that's what catalogs are for regarding in the event you request me).
(Krista Lindgren)

THE WITCHES: SALEM, 1692

Orion Publishing Co. Hardback. Book Condition: new. BRAND NEW, The Witches: Salem, 1692, Stacy Schiff, It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter started to scream and convulse. It ended less than a year later, but not before nineteen men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbours accused neighbours, parents accused children, husbands accused wives, children accused their parents, and siblings each other. Vividly capturing the dark, unsettled atmosphere of seventeenth-century America, Stacy Schiff's magisterial history draws us into this anxious time. She shows us how a band of adolescent girls brought the nascent colony to its knees, and how quickly the epidemic of accusations, trials, and executions span out of control. Above all, Schiff's astonishing research reveals details and complexity that few other historians have seen. Every detail of colonial life just decades after the first landing - family, farming, praying, housekeeping, dangers of life at wilderness's edge, estrangement from England, the pressures of a life dominated by Biblical thought - is rendered with a clarity that makes almost inconceivable events comprehensible. As psychologically thrilling as it is historically seminal, as magnificently written as it is deeply researched, THE WITCHES breathes new life into one of history's most enduring mysteries.
