

Home Field Advantage: A Guide to Choosing Teaching Methods for Your Homeschooling Champions

By Skyla King-Christison

Night Owls Press LLC. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Countless families are making the bold choice to educate their children at home, moving away from that one-size-fits-all approach that is so commonly seen in institutional schools. Whether you've already begun your homeschooling adventure and you're looking to fine-tune things, or you've just started considering it for your family, the key to successful homeschooling is knowing your options and knowing your students. There is a whole world of different philosophies and methods for teaching out there. In Home Field Advantage: A Guide to Choosing Teaching Methods for Your Homeschooling Champions, former public school teacher turned homeschooler Skyla King-Christison gives you a tour of the world of homeschooling, offering an overview of major educational philosophies, including the Montessori method, Waldorf education, Trivium, Charlotte Mason education, and unschooling. She also gives you a broad-based introduction to ideas like whole and part instruction, multiple intelligences, learning styles, and child temperament. Finally, she helps you understand how to put it all together in a tailored home education plan. Rather than tell you what your children need, Skyla helps you assess your children's individual needs for yourself, showing you...
