PHAEDRUS

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Phaedrus, Plato, Robin Waterfield, 'Some of our greatest blessings come from madness Phaedrus is widely recognized as one of Plato's most profound and beautiful works. It takes the form of a dialogue between Socrates and Phaedrus and its ostensible subject is love, especially homoerotic love. Socrates reveals it to be a kind of divine madness that can allow our souls to grow wings and soar to their greatest heights. Then the conversation changes direction and turns to a discussion of rhetoric, which must be based on truth passionately sought, thus allying it to philosophy. The dialogue closes by denigrating the value of the written word in any context, compared to the living teaching of a Socratic philosopher. The shifts of topic and register have given rise to doubts about the unity of the dialogue, doubts which are addressed in the introduction to this volume. Full explanatory notes also elucidate issues throughout the dialogue that might puzzle a modern reader. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
