Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Low-Mileage Running is a short guide to running faster, injury free. It focuses on avoiding injury while optimizing your training. Low-Mileage Running provides practical training advice, workouts, and sample training plans for the 5k to Marathon. From the book: This isn't a magic formula; it's just one runner sharing his experience with others. I can't guarantee success; I can only tell you what I've done and how it might work for you as well. If you value your time and are willing to try an unconventional approach, you have picked the right book. Praise for Low-Mileage Running Brian MacKenzie Says: In a world that is constantly evolving and looking to more efficient ways to either run a business, or live your life, Olson is offering up what many of us are finding to be truer and truer as time has her way with us. Quality work cannot be outdone by doing more low-quality work. At the end of the day if you're not in the long game nothing you're doing is advancing us in our pursuit of excellence. Aaron Olson is playing the long game.
