She meets the son of the local peerage, and they fall deeply in love, however, they come from two very different worlds. Something is not quite right, and as more mysterious deaths occur in the nearby town of Oxford, the truth finally begins to unravel exposing a world hidden in plain sight. A world far more terrifying and deadly than anyone could imagine. Between England and Croatia the body count rises as a struggle for power emerges. An accidental event turns the wheels of fate and our lovers find themselves caught in the middle. Sadly, one will die, while the other remains immortal. Forced apart how can they ever be together? The answer comes from the unearthing of an ancient and frightening secret society of deadly creatures masquerading as humans. Mankind is not at the top of the food chain and hasn't been for a very long time. Finally, an amazing destiny is discovered from within the ancient world of the Chameleon.
